Re: Gentle Giants Rescue and Adoption
Repossession of "Sampson"

Dear Ms. Laird:

This office has been retained by Gentle Giants Rescue and Adoption to procure the immediate return of Sampson, the Great Dane adopted by you from Gentle Giants, due to your breach of the Adoption Agreement.

I have been informed by my client that you are feeding the animal in a manner detrimental to its health, and not in compliance with the very specific instructions given to you by my client at the time of the adoption, including but not limited to, feeding the animal two to three times per day, rather than five times per day, with a food not acceptable to Gentle Giants and not in the best interests of the animal. Your conduct is detrimental to the animal's health and in breach of the agreement.

Demand is hereby made that you return Sampson to my client no later than April 18, 2005. If you fail to comply, I have been instructed to file a lawsuit against you, in the Superior Court, seeking return of the dog and monetary damages as well as attorneys fees.
